

**The FLORIDA SOCIETY of
RADIOLOGIC TECHNOLOGISTS**

Words from outgoing President

Dear Members:

My time as your President has come to an end. I would like to take this time to thank the current board of Directors for an EXCELLENT JOB and their assistance this past 2 years. At this time I wish to thank the Committee members for all their assistance. Last but not least the Membership. Remember this Board of Directors is here to serve you the membership, and proud to do so. It has been a good 2 years. We have accomplished a great deal for the Society. We are, as most Organizations are doing, utilizing the FSRT Web Site for all communication. We also have maintained an excellent relationship with the financial matters of the organization. Please, if you have any questions; contact any Board Member via the web site. We are low in number but loud in voice, which is why this Board hopes that you continue your support, and assist an associate in joining the Society. As R.T's we stand proud and will continue to do so. Thanks you for your dedication to our profession.

The 2011 Conference will be held September 30th to–October 1st at the Royal Palms Resort & Conference Center, Orlando Florida. Check the web page for all up and coming information on this and other matters of interest to our profession.

Sincerely:

Anthony J. Iambutis R.T.(R) ARRT

Senior Board member &

Immediate Past President
